(*k*) In fixing the rate of contribution, this point is borne in mind.

MR. A. NARAYANA IYENGAR (Hassan Taluk).—

Q.—29. Will the Government be pleased to state:—

(*a*) How many students (communitywar) had applied for seats in the Engineering College and Engineering School during the years 1930 and 1931?

(*b*) How many students (communitywar) were given seats during those two years in those two institutions?

(*c*) Is there any confidential order issued to the College and School authorities not to give seats to students who belong to a particular community? If so, which is that community that is denied this branch of education?

(*d*) How are the selections made and is it upon communal basis or educational qualifications?

(*e*) Are not the Government aware that most of the successful candidates in these examinations go out of our State for appointments, and if that is so, why not the Government educate the sons of the soil and make them fit to go abroad and earn their livelihood—this being one of the means of solving the problem of unemployment?

CHIEF SECRETARY TO GOVERNMENT.—

A.—29. (*a*) and (*b*) Statements furnishing the information are placed on the table. (*Vide* Appendices VIII and IX.)

(*c*) No.

(*d*) Selections are made on the basis of the qualifications of the candidates, special consideration being given to the applicants of backward and depressed communities and malnad boys.

(*e*) Government have no definite information that most of the successful candidates go out of the State for employment.

MR. A. NARAYANA IYENGAR (Hassan Taluk).—

Q.—30. Will the Government be pleased to state whether it has come to the notice of the Government that *gomal* lands of Chikkakondagula Village, Kasaba Hobli, Hassan Taluk, have been given to *darkhastdars* without
